NOTES

- Standard Road Allowances on this plan are 20.12 metres in width.
- Distances are given in metres and decimal thereof.
- Right-of-way to be filed is 20.00 metres in perpendicular width throughout unless shown otherwise.
- This plan represents the best information available at the time of survey. Also, Gasworks and its employees take no responsibility for the location of any underground pipes, conduits, or facilities, whether shown on or omitted from this plan. An additional search for specific buried facilities along all resources must be performed just prior to construction.
