Dear «First\_Name» «Last\_Name»;

**Re: Many Islands Pipe Lines (Canada) Limited  
Application for Decommissioning Activities for the Pierceland Supply Project  
Order MO-017-2024**

---

Many Islands Pipe Lines (Canada) Limited (MIPL), a federally regulated and wholly owned subsidiary of SaskEnergy Incorporated, a Saskatchewan Crown Corporation, would like to share the following information on the subject natural gas facility project.

On March 28, 2024, MIPL submitted an application for a variance of Order, as amended, for the Pierceland Supply Project and the Commission finds the nature of the activities proposed to be more appropriately assessed as a decommissioning under the Onshore Pipeline Regulations (OPR). Please find enclosed the following:

1. Letter from the CER (Canadian Energy Regulator) approving the Application; and
2. Order MO-017-2024

All Application materials to date can be seen at: <https://apps.cer-rec.gc.ca/REGDOCS/Item/View/3781663> or go to the CER website at <http://www.cer-rec.gc.ca/> click on "Applications & Filings" under the heading "View Regulatory Documents", enter the Document Number "C29997-1", "C29997-2", "C29997-3" or "C29997-4" and click on "Go". Additional project information, and information on MIPL's engagement process and land complaint process can be found on the MIPL website: <https://www.miplcl.com/projects/>.

CER brochures and publications of interest, including information on the CER and its application review process, are available here: <https://www.cer-rec.gc.ca/prtcptn/gdnccmpnsnbpblctn-eng.html>.

If you have any questions about this proposed MIPL(C)L project, please feel free to contact Troy Becker at 306-406-7410 or [mll@miland.ca](mailto:mll@miland.ca).

Sincerely,

Wade Goodwin  
Land & Public Awareness Coordinator, SaskEnergy Incorporated
